. . . Connecting you and Hellenism

The Hellenic University Club was incorporated in 1961 as a non-profit organization to promote the study and understanding of the Hellenic culture by sponsoring events that feature distinguished speakers and artists, and to raise funds for grants to organizations and institutions that promote the Hellenic culture primarily in Southern California.

Events held throughout the year directly contribute towards this objective and indirectly encourage fellowship among the members. Lectures, exhibitions, theater plays, and recitals are held during the fall, winter, and spring seasons featuring distinguished lecturers and artists.

The **www.Huc.org website** contains an **Event Calendar, Publications, History, Membership**, etc. Worthwhile books written by local authors on Greek themes, are published on its website and can be accessed at the **Publications** link. We urge you to visit it.

Among the organizations supported are the Basil P. Caloyeras Center for Modern Greek Studies at Loyola Marymount University, the Thesaurus Linguae Graecae at the University of California-Irvine, the Hellenic Library in Downey, the Greek Heritage Society of Southern California, and the Los Angeles Greek Film Festival.
